### **Neither a borrower nor a lender be For loan oft loses both itself and friend Shakespeare in "Hamlet"**

I let a friend borrow my car and he crashed and wrecked it, which means I lost the car and the friend who didn't pay for it.

Ramiro Pina

Depend only on yourself and don't carry the burdens that belong to someone else. They won't thank you and when you need help, they won't help you.

Jennifer Meza Hernandez

When you need something, your friends will always be there. But when you don't give back, you lose your friend and what you gave.

Dijonia Dunbar

A leader sent his people off to war. They were killed in that war, which was the bloodiest war ever. The leader was angry. He had lost his people and his friendship.

Mario Castillo

Only borrow if you can pay back. Don't ruin friendship over stupid stuff.

Gary Andrews

**And this above all, to thine own self be true  
And it will follow like the night the day  
Thou canst not be false to any man  
Shakespeare in "Hamlet"**

Always tell the truth and to keep things that are false away.  
Johnathan Mendoza

I once had a friend who was a very fake person. She was a two face. She thought she could get any guy she wanted but then she was a whole different person at home.  
Mariela Colmenero

Through your entire life  
But living a lie your whole life-  
There's no room to be true.  
Rajsedah Davis

If you are true to yourself and do what you want to do,  
Not what others want you to do,  
You are true to the world.  
Aaron Landa

Being what you feel is being what you are.  
Cristian Duran

**There is nothing either good or bad but thinking makes it so  
Shakespeare in “Hamlet”**

If so, then your mind can be your worst enemy.

Johnny Hines

This quote to me means, how you think it is, is how you see it.

Roxana Juarez

Thinking is safe.

Ingomar Raigoza

I think this means, what you think it is, is all up in your mind.

Fabiola Vargas

Nothing is originally corrupt- it is man that makes it so.

Lance Harris

Things are the way they are. But if you think they are bad, they will be bad. But if you think they are good, they will be good.

Rickey Wilson

In life nothing is good or bad. We make it good or bad with our decisions.

Gabriela Castaneda

**And thus the whirligig of time, brings in his revenges  
Shakespeare in "Twelfth Night"**

Do not linger and plot around the lost battle for Karma will take its toll on the joyful backstabber.

Lance Harris

You will somehow get revenge, but you've got to let time pass.

Jose Duran

Karma's a b\_\_\_\_\_.

Rajsedah Davis

In the cage with the snake,  
It is like sitting in a trap,  
Waiting to get snapped.  
Wait for it  
And the time will come  
When the person who has hurt you, will be undone.

Djanai Love

Patience brings the greatest rewards,  
All of time's revenges are slow  
And come only with restraint.  
Biting the bullet and holding the tongue  
Are not without reason,  
For whatever lies out there,  
It knows all.  
And blood for blood will be for now and always,  
As long as man shall walk upon this earth.

Brian Du

You cannot change the past but you can change yourself, which will change the people around you and how they feel about you.

Luis Ruiz

What comes around, goes around,  
What goes up, must come down,  
Life's a b\_\_\_\_\_  
And then you die.

Jesus Vivas

**And thus the whirligig of time, brings in his revenges  
Shakespeare in "Twelfth Night"**

Let time whirl cause time stops for no man.  
Let time whirl, for if time stopped, revenge would be no more.  
Johnny Hines

You will get your revenge on the person that stabbed you in the back.  
Bernard Emerson

Staying in the dark,  
Never in the light  
Time, time, time  
Going by fast,  
Bringing to mind  
The revenge of time.  
Dwayna Clark

**There's daggers in men's smiles  
Shakespeare in "Macbeth"**

So smile back.

Johnny Hines

A dagger could be one of your best friends.

Flaviano Pelayo

Piercing the hearts of those  
The smile frowns to  
Like a snake in the grass  
It waits for the right moment  
The right one to cut to size  
The one that awaits no surprise

Jackie Nutting

A man's smile can appear to be as soft as linen,  
But it can also be deadly as a king cobra's venom.

Lance Harris

Never trust somebody's appearance because the next thing you know, you've been backstabbed.

Mariela Colmenero

Those daggers may be in the smiles of people who are most important in your life.

Jennifer Meza Hernandez

If you smile at people and they smile at you, it is not always with sincerity. Because they could be smiling but all along, they want to hurt you.

Judit Trinidad

Thinking the world is all lubby dubby and true  
Watch out, cause someone might smile and kill you.

Rajsedah Davis

I'd rather see you frown and tell you the truth  
Than to see you smile and lie to myself  
Though I smile with my mouth shut to keep the truth within me.  
I would rather speak unto myself than speak unto an enemy.  
An enemy can never be trusted with the truth,  
But who is my enemy?  
I can only be my own enemy if I lie to myself.  
I pick out the lies within my heart to keep myself from smiling.

Jayla Hayes

**There's daggers in men's smiles

People like your friends will try to be your friends. Then again, they are not your friends.  
They are trying to hurt you, kill you. People are hella fake.  
Kurtavia Washington

There's daggers in men's smiles  
And if you're one, let me tell you,  
Know that my heart is covered with a shield  
And in my hand there is a gun  
So you better be ready  
If you're trying to get a piece of me, son.  
Maria Ochoa

**Nothing will come from nothing**  
**Shakespeare in “King Lear”**

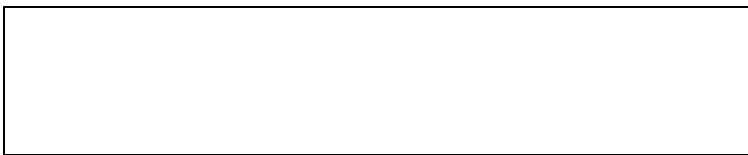

So make something out of that nothing.  
Jesus Vivas

You may only receive what you are willing to give  
Lance Harris

Nothing is there  
It's just nothing  
Lying here  
There's still nothing  
Wait, if I stay up  
There will be something,  
Then nothing  
Dwayna Clark

Once upon a time there was a boy named Charlie. Charlie was a boy from the hood. People always told Charlie that he would be nothing in life. He believed everything they said. Charlie was in school but he thought he couldn't do anything. He decided he was going to drop out of school. He never did nothing to make himself successful in life or to get a good education. He then talked to someone and told that person that he had dropped out. The person said, “How are you going to expect to be something in life when you don't try or don't believe in yourself? He didn't listen to the person and so he went to the streets. Charlie now lives with his mom and he is thirty- three. He could have been something had he tried in school.

You can't make something from nothing.  
Jose Duran

You can always make something out of something.

**Nothing will come from nothing**  
**Shakespeare in “King Lear”**

To show no faith is to believe in nothing  
To believe in nothing shows a closed mind  
A closed mind is unopen to new ideas  
With new ideas opens a better life.  
Those who love life appreciate life for what it is.  
Life is not to be taken for a joke but for what it is.  
But when life brings you pain, you are not to ignore it,  
Because to ignore the truth is to take it for nothing.  
But if you observe it, the pain will grow and become your strength.  
Jayla Hayes

I think this quote is true because you can make something out of nothing if you apply  
yourself in the best ways you can.  
Keith Delaney

It becomes nothing when you want for it to become nothing.  
Linda Mora

You can't have anything if you don't want it enough. How can you miss something you  
never had?  
Gary Andrews

**Men of few words are the best men**  
**Shakespeare in "Henry V"**

Men of few words are the best men,  
They who observe the world around them,  
And speak little, gain wisdom, insulting few.  
They silently advance, always learning, climbing higher  
As they let their actions speak for them.

Brian Du

The best way to explain this quote is that if you get in a conflict with a dangerous person and you keep talking and talking, he can harm you. But if you just walk away and leave the situation alone, then he can't do nothing to you.

Michael Buchanan

It means, when you talk less, you don't offend other people at all.

Johnathan Mendoza

Those that talk less s\_ \_ \_ are the real men, rather than those who talk more s\_ \_ \_ and think that they are tough.

Gabriela Castaneda

This quote is not for me because I love talking. This quote means that if you don't really talk, you are not going to be in trouble and there would be much less drama.

Judit Trinidad

People who talk less tend to keep their promises. People who talk a lot, just talk and that's all.

Falon Meza Hernandez

Men of few words will never be heard.

Mecca Wilburn

**I will wear my heart on my sleeve for daws to peck at  
Shakespeare in “Othello”**

I will wear my heart in my pants.  
Ingomar Raigoza

People don't give their hearts out because they are scared of getting them broken.  
Ramiro Pina

If I ever wear my heart on my sleeve  
I would go straight to sleep  
Because love hurts  
And I've been through it all.  
They would take your heart,  
Tear it apart  
Just because it is sitting on your sleeve.  
Just let my heart be  
I'm sure if I wanted to love,  
I will set it free.  
Dijonia Dunbar

This quote to me, means, if you want to get your heart broken, open your heart.  
Roxana Juarez

I'd rather be hazed for living freely than be accepted for conforming to the drabness of  
the world.  
Lance Harris

For a heart concealed  
Is harder to find,  
Forgotten over time.  
Why let the daws flock to me?  
As long as I am who I always was  
And who I choose to be.  
Jackie Nutting

Follow your heart, no matter what.  
Nahomy Rodriguez

Daws have pecked at my heart but I never learn.  
Luis Ruiz

**I will wear my heart on my sleeve for daws to peck at  
Shakespeare in "Othello"**

I will wear my heart everywhere I go,  
Wear it always inside me.  
I love my heart.  
My heart loves me.  
No matter where we go,  
We are always together,  
No matter what.

Mario Castillo

If love is good or bad,  
Thinking about a certain someone who makes you sad,  
But thinking can also be bad-  
Is living life with me good or bad?  
Tell me thinking about me and you together, doesn't make you sad,  
But if I get the chance, I'll be glad.  
Looking in your eyes, having me hypnotized,  
Thinking about this is what it sounds like,  
Like when love cries.

Demar Ellis

You say you are in love. Is it love?  
Or do you need to step back and take a look at all the best traps?  
If you are being real, what are the chances that your heart will heal?  
Sometimes you show the will, try to look back and say that's not the deal.  
Always thinking about how they feel. Love hurts but this feels like kill.  
Wish you can skip it, like a meal. Or keep it all together, just like a seal.

Donald Rosby

I will be brave and show my heart  
And so what if the world laughs,  
And my heart is torn to shreds?  
For it is better to die with no heart  
Than to die with one at all,  
For then there is no more heart for anybody.

Johnny Hines

I show people who I really am even though they might hurt me.

Daniel Marvilla

If you show emotions for people, they go and f\_ \_ \_ up your heart... (cupcake, no feelings, for example)

Diego Martinez

**I will wear my heart on my sleeve for daws to peck at  
Shakespeare in "Othello"**

I will keep my heart in its place for someone who cares to find.  
Mecca Wilburn

Giving someone your heart gives them the power to make it or break it.  
Sasha Volz

If you are too kind people may take advantage of it.  
Marcquez Love

I will wear my heart on my sleeve for daws to peck at,  
And if they take advantage of my love I am going to make them  
Wear their hearts on their sleeves  
And become a daw myself  
And peck at those m\_\_\_\_\_f\_\_\_\_\_s right back  
And make them feel all the pain they gave me.  
Maria Ochoa

Don't take a chance with wearing our heart on your sleeve if you're not ready for it to be  
broken.  
Gary Andrews
